From antient times no master or fellow could be absent from his Lodge, especially when warned to appear at it, without incurring a severe censure, unless it appeared to the master and wardens that pure necessity hindered him.

Antient Charge.

Be very cautious whom you recommend as a candidate for initiation: as one false step on this point may be fatal. If you introduce disputatious person confusion will be produced which may end in the dissolution of the Lodge. If you have a good Lodge, keep it select. Great numbers are not always beneficial.
